**The Gauteng Provincial Legislature (Gauteng Legislature, GPL) is one of nine provincial legislatures in South Africa**, which are a product of extensive negotiations that gave shape to the 1996 Constitution. The Constitution empowers the Legislature to make laws for Gauteng, oversee that the Gauteng government works efficiently and honestly, and ensure that the people of Gauteng participate in the running of their province.

**The Legislature moved from Pretoria to Johannesburg in 1994** after the first democratic elections in 1994 and following a decision to move the Government of the Gauteng Province. The Johannesburg City Hall opened as the Gauteng Legislature's new home on 21 October of 1995.

### HOW THE GAUTENG LEGISLATURE IS COMPOSED

**The Legislature is a House comprising the speaker (who heads up the organisation) and Members of the Provincial Legislature (MPLs) from various political parties**, allocated per the vote of the Gauteng Province. Political parties get seats in the Legislature through a system of proportional representation – meaning, the party with most votes gets the majority of MPLs in the House.

**The Constitution empowers each of the nine provincial legislatures to make laws that apply uniquely to each of their provinces.** MPLs divided into portfolio committees conduct the business of the House. Each committee is attached to a provincial government department (or cluster of departments) in the Provincial Government and enhances the department's ability to deliver services through advisory, monitoring and oversight.

**Standing committees deal with diverse issues** (other than government departments). These committees consider Bills and other matters referred to them either by the Speaker or the House.

**Ad hoc committees work with various experts to matters that need specialised expertise. The Legislature's administration staff complement gives operational support to the committees.** The administrative wing of the Legislature is headed by the provincial secretary (or secretary to the legislature).

### LEGISLATURE OVERSIGHT'S ROLE

MPLs consider Bills placed before them by the provincial executive, comprised of the Premier of Gauteng and the Members of the Executive Council (MECs). MPLs debate Bills, budgets, statements and speeches by MECs in committee meetings or in plenary sessions of the Legislature. Committees have the power to summon MECs and Department officials to answer questions relating to service delivery in the Province. The MECs must be prepared to answer hard questions on how they are delivering a better life to the people of Gauteng. Committees can also undertake investigations into activities by government departments and such investigations are often open to public scrutiny.

The Legislature allows the people of Gauteng to participate in law-making and oversight processes. **It is a Constitutional requirement that the Provincial Legislature affords Citizens an opportunity to partake in legislative processes – and this is an obligation that the Gauteng Provincial Legislature has vigorously embraced.**

### LAW MAKING

**New legislation starts out as a Bill**, which is carefully discussed to ensure that it is relevant to the needs of the Province, clear, practical and in line with the Constitution. MPLs also receive submissions from the people of Gauteng on matters of concern to the Province, which may require specific legislation to be instituted. MPLs can also initiate legislation individually, as can any of the Legislature's standing committees.

## **SPECIFICATIONS & TERMS OF REFERENCE**

---

**APPOINTMENT OF SERVICE PROVIDER FOR PROVISION OF  
INTERPRETING AND TRANSLATION SERVICES FOR GAUTENG  
PROVINCIAL LEGISLATURE FOR THE PERIOD OF 36 MONTHS**

---

## **1. BACKGROUND**

- 1.1. The Gauteng Provincial Legislature (GPL) is charged with the constitutional mandates to make laws, conduct oversight on the Executive, practise cooperative governance, and ensure people's involvement in discharging its mandates.
- 1.2. Languages are the hinge point without which people's involvement will not be possible. Tshivenda, Sepedi, Setswana, Sesotho, isiXhosa, isiNdebele, Xitsonga, siSwati, isiZulu, English, and Afrikaans have been granted official language status by the province through the Gauteng Provincial Languages Act No. 3 of 2016, and therefore, the same status is proposed for the Gauteng Provincial Legislature (GPL).

## **2. INTRODUCTION**

- 2.1. It is a mandatory requirement for the GPL to provide its services in the above eleven languages in accordance with the above legislation.
- 2.2. The language distribution in the province necessitates the provision of services in all the eleven official languages, including sign language, Braille and beyond. This has become commonplace as committees take the GPL to the people.

## **3. OBJECTIVE**

- 3.1. The objective of the contract is to provide interpreting and translation services to the House and Committees, and by extension, to members of the public as it eliminates language barriers to facilitate communication.
- 3.2. All the Members of the Provincial Legislature (MPLs), Administration, and the public, will have the privilege of participating and following House and Committee meetings in languages of their choice, and they will be able to communicate with the GPL in languages of their choice.
- 3.3. The contract also seeks to restore, develop, preserve the pride, dignity and use of previously marginalised languages to bring them on par with English and Afrikaans.

## **4. ROLE OF GAUTENG PROVINCIAL LEGISLATURE (GPL)**

### CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids<sup>1</sup> invited.
  
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
  
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
  
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
  
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
